VAT: GB285318287

REQUEST FOR TENDER, 16th January 2025

Summary:

Baked in Brick Ltd, is a bakery, wholesale and street food business based in Erdington, Birmingham, looking for a catering equipment supplier to provide us with new equipment, which will be an upgrade from current equipment we currently use. The items we are after are of industry quality, that need to be able to perform for high quantity of usage and be operational for up to 11 hours per a day. All interested companies are invited to submit their proposals in response to this request for tender.

Company overview:

Baked in Brick Ltd formed in 2015, I took my love and passion for food, to set up my street food business. Having an instinct impact in the UK food scene, I've won multiple awards including 2016 Best Street Food Trader Uk, then following up with the European Title in Berlin the following year.

Since then, in 2018 I opened our flagship restaurant in Digbeth & in more recent years 5 coffee shops across Birmingham. We are known around the United Kingdom, for our high-quality products, which within the last year has increased our wholesale from our baked goods, with each month passing, we are getting more enquiries, to supply other businesses bread, pastries, cakes & savoury options. Alongside this, over the past year we have increased our offsite events, gaining contracts for these across Birmingham.

Therefore, for us to continually grow the business, to be able to facilitate all these new wholesale accounts and events, we are looking for an experienced company to submit quotes for the new equipment that we require.

Overview of the business since 2015:

- Business has expanded to cooking out of a converted Mini, to our own bakery & commercial kitchen in Erdington
- Grown from 1 employee to 45 employees
- British Street Food Trader Champion 2016 (London)
- European Street Food Champion – Best Main 2017 (Berlin)
- Back-to-back awards, Midlands Food & Drink Awards - Most popular street food 2017 & 2018
